—A very pleasing letter comes to us from W. C. Johnson, one of Holt's teachers, who is now one of the 5,000 students attending the Teachers' College, Columbia University, New York, and from it we glean that he is delighted with his work. W. C. has many friends here who will be glad to hear of his situation and progress, and he feels lonesome without THE SENTINEL, which he orders sent to him at 604 west 135th street, New York. In a letter some time he might tell his friends of some of the sights of New York, through our columns.

—On Sunday last, October 21, 1906, a group of some 20 friends and relatives, assembled at the home of Mr. and Mrs. Ed. Raiser, and witnessed the marriage of their daughter, Bertha to Mr. Charles F. Noland, of Forest City, the ceremony being performed by Probate Judge H. T. Alkire. Following the ceremony and congratulations, the guests were escorted into the dining room, where a most bounteous dinner was served. Mr. Noland is a young farmer, and after the honey moon they will farm for Mr. George Stephenson. Bertha has many young friends who will wish her a long, happy, joyous life.

—The will of John G. Cowan was filed for probate on Wednesday of this week. It was dated December 24, 1902, and was witnessed by C. D. Zook, Guy L. Cummins and T. C. Dungan. It provides for the payment of his just debts, and gives to the widow her rights under the statutes. Having previously provided for his children in real estate and moneys, he gives the residue of his estate to his grand children, in four equal parts—to the children of B. O. one-fourth; children of Flora Clisby, one-fourth; children of John F. one-fourth, and one-fourth to the children of Robert G. He names Albert Roecker as executor of the will, and trustee and curator of the estate of these minor children.

—A number of homes in Oregon are under quarantine for diphtheria. One death was reported last week and we understand a number of new cases have developed this week and another death was reported on Tuesday. The disease is well known and is held in fear by everyone and stringent action should be taken to keep it from spreading.—Forest City Star. We regret exceedingly that our worthy contemporary has allowed itself to be imposed upon. There is not a single home in Oregon, under quarantine on account of diphtheria; there has not been a single death within the corporate limits, on account of the disease; nor is there any new cases reported. With these exceptions the item may be correct.

—Souvenir post cards of the Chrysanthemum show can be obtained from Mrs. Mina Curry, at the postoffice or from Mrs. Anna Markland. These cards have the picture of a fine bunch of Chrysanthemums, in colors, and are just the thing to let your out-of-town friends know that there will be something doing in Oregon about the middle of November.

—The citizens of Maitland have named a committee to look after the proper arrangements for the coming Farmer's Institute which is to be held at Maitland, November 9-10. The principal addresses will be delivered by Prof. Mumford, of the Missouri Agricultural College, and Mr. Lewellen, of Bever City, Neb., who will talk on hogs, poultry, alfalfa and other general farm topics.

—M. D. are not the only initials that Dr. Evans can write after his name now; in fact there are communications which he will have to sign "D. D. G. M." of the eighth Masonic district, composed of Holt and Atchison counties. It is quite an honor to be appointed District Deputy Grand Master of the Masonic order of the state, and we congratulate Right Worshipful Dr. Evans, and Oregon Lodge No. 139 on the appointment. The Doctor has also been commissioned District Deputy Grand Lecturer of the order.

Over next Sunday will be held our third quarterly meeting. In the absence of the presiding elder, Rev. H. Mattill, former publisher for the Evangelical church, will preach and conduct the services. The business meeting will be held on Saturday at 2:30 p. m. in our church in Oregon. Friday and Saturday evenings he will preach at Benton, Sunday a. m. at Nickell's Grove church, and Sunday evening here in Oregon at the Evangelical church. The communion service will be Sunday morning at Nickell's Grove church. All are cordially invited to these services.

—Again has the grim Reaper visited the home of Mr. and Mrs. James Keeney, and garnered their little son Nathan, aged 9 years, after a hard struggle with diphtheria, the little spirit wending its way to the God who gave it October 22d, and joining his little sister Ella, who died from the same disease, October 11th. So weakened from his struggle, and while all traces of the disease had disappeared, his weakened heart could no longer perform its functions, and death resulted. Mr. and Mrs. Keeney have been residing at the home of Mrs. K's parents Alf. Gentry and wife, some three miles southeast of Oregon, and by some means the little daughter Ella, contracted diphtheria, and the day following her death, the little son, was taken down with the disease, and death relieved him Monday morning about 2 o'clock. Not a person in our little community but what keenly sympathize with the parents and grand parents in the loss that has come to them, and the great struggle they have made with this unrelenting disease. Mr. and Mrs. Keeney now have only their babe, a son of one year left them, and may He who tempests the wind to the shore lamb, spare this little one to them. Several years ago, Mr. and Mrs. Keeney lost two children from the same disease. The little one was laid beside his little sister in Maple Grove cemetery Tuesday morning, October 23d.

—Mrs. Minnie M. Cunningham is attending a meeting of the Women's Synodical Home and Foreign Missionary societies, in session the present week, in St. Louis.

—Ed. Raiser, of this city, was called to St. Joseph Thursday, to attend the funeral of his sister, Mrs. J. C. Damar, whose death occurred in that city the day previous, October 18, 1906, after a lingering illness.

—A new boat line on the Missouri river with three boats is now in operation between Kansas City and St. Louis. There is much encouragement being given the enterprise, and the boats have good cargo both up and down. The river schedule is about four sevenths of the railroad tariff.

—Six hundred Ute Indians are waiting on the old Sitting Bull trail, 40 miles from Gillette, Wyo., for the arrival of 500 men of the Tenth cavalry. The cavalry stationed at Fort Robinson, Neb., under the command of Col. Auger, has started by train to meet the Indians and a battle cannot be averted, ranchers, who have watched the Indians for the past few days, declare.

—Mrs. Warren Kunkel and children, except the eldest daughter, Carrie, who will make her home with the family of Chas. Brunk, left Tuesday for Wyoming to join her husband, who it will be remembered, left here about three years ago and was not heard from again until last month, when his wife received a letter from him advising her and the children to join him in Wyoming.—Jeffersonian.

—The new meat inspection law, passed by congress June 30, went into effect October 1st. Under its provisions all packing plants and slaughter houses doing an interstate business, will be inspected. Under the new law St. Joseph has 17 veterinary inspectors, six stock examiners, 24 taggers and 29 meat inspectors. Ten new men arrived yesterday morning. These will be divided among the different plants.

—Each of the 19 counties comprising the Maryville state Normal school district is to be given each year a free scholarship in the institution, the scholarship to be awarded by that county to the rural school student making the highest grades in the annual examinations for country schools. Each scholarship will be good for one year's tuition, and will be of the value of \$18. So the Maryville State Normal will each year give to hard working students in the district about \$350 worth of free scholarships. The scholarships will be non transferable, as the school is desirous of confining their issuance to only such young people as have earned them by good work in the country school.

—Last Saturday evening our dentist, Dr. Fred Markland, took a ride with Dr. Jimmons, and on his return home, proceeded to relieve himself of some of his habits, and after removing his hat, coat and vest, proceeded to take off his shoes and stockings. This accomplished he then went into the family room with the view of poking his No. 10's up to the heater, just to give his feet a good baking—he just got into the room, and seated comfortably before the stove, and after a good baking, he asked his wife to lower the trapeze, and he proceeded to take his customary athletic exercises, and just as he was in the act of "skinning the cat," in came a bunch of some 20 friends from an adjoining room, and after cheering him heartily, Fred came down from his perch as completely surprised as any mortal could possibly be. He tried to apologize, but failed. He then turned to his wife, and asked the meaning of this "outpouring of the masses." "Why, Fred, have you forgotten, this is Saturday, October 20th; to-morrow is Sunday, October 21st; No. 1, I know tomorrow is Sunday, October 21st; what of it?"—His wife then reminded him of a little incident that took place in Fairfax, October 21, 1896; then Fred remembered, by exclaiming, "Gee whiz, has it been so long ago; well sweet heart, you look just as good to me today, as you did on that day, when we took the vow together until death do us part. The friends brought well filled baskets, and many tokens in China of their love and esteem; the tables were spread, and all enjoyed a splendid supper and a highly enjoyable evening, and both Mr. and Mrs. Markland will not soon forget their 20th wedding anniversary. Mrs. Markland was formerly Anna, daughter of Mr. and Mrs. George Colvin, and they are blessed with a son and daughter, that any parent can well be proud of. May they be spared to enjoy their diamond anniversary.

—Miss Alma Shambaugh, of St. Joseph, spent Sunday with Oregon friends.

—The Fudge club was charmingly entertained at a six o'clock dinner on Friday evening last, at the elegant Bragg home, by the Misses Zina and Alberta Bragg. Dancing, music and other entertainment was furnished in addition to a most elegant repast, and bright conversations filled the cup of pleasure to overflowing—especially when the "boys" came in, just after dinner, and added zest and spirit to the very joyous occasion—we wish we were a "Fulger."

—Dr. Walsh, the St. Joseph specialist, claims the combination of electrical treatment and specific medicine is the best method of curing chronic and nervous diseases. Certainly he is having wonderful success, judging from the great praise he is receiving from patients all over this part of the country. Mrs. M. Davidson, of South St. Joseph, says the remarkable thing about the treatment is that it cures so quickly. She says in her case, the nervous symptoms and the headache and headache disappeared like magic.

Roger C. Sullivan should have been at the tail end of the Bryan car in Richmond, Mo., one day last week, when Mr. Bryan, standing by the side of National Committeeman Rothwell, a corporation lawyer, advised the Democrats of Ray county to stand by State Senator John Morton and United States Senator William J. Stone, two enemies of trusts and monopolies. The words would have made an important addition to the volume of Bryan's inconsistencies. Mr. Sullivan is said to be compiling. Mr. Sullivan who is a sporting man in a gentlemanly way, might offer large financial rewards for every vote the Missouri senate journals can be made to show which Senator Morton ever cast against a schoolbook trust, a baking powder trust, a race track trust, or any other form of trust in this state. Mr. Sullivan has now been vindicated in Missouri as well as Illinois. Mr. Bryan's speech at Richmond did it.
